## *What is a Dementia Care Consultation?*

Dementia Care Consultations are facilitated by our social work team for patients and families to cover such topics as:

- Disease Education and What to Expect as Dementia Progresses
- Brain Health Recommendations
- Communication and Behavior Strategies
- Caregiver Support
- Community Resources
- Advance Care Planning
- Counseling Strategies Regarding Chronic Illness

## *Who Attends?*

- A Lead Care Partner/Proxy for the patient
- The patient—if they would like to, but it is not required. Patients and/or families can decide what would be best for their circumstances.
- Any family members and/or supportive individuals to the patient

## *How to Schedule?*

- Referrals are accepted from within and outside of the University of Utah. This support is available to any caregiver in the community providing support to a family member experiencing dementia. The patient's health insurance is billed for the visit.
- To schedule, contact the Cognitive Neurology Clinic at 801-585-7575
